

Ararat Primary School 800

Celebrating its sesquicentenary in 2015 ...
150 years of service to the Ararat community.

Sesquicentenary Paver Project

As an historical reminder of this significant event, our school is proposing to replace pavers, currently installed underneath the Moore Street oak tree, with named, commemorative pavers. Any current or past students and staff members are being given the opportunity to purchase a paver for \$35, and have their name or their family's name engraved on it, along with the years that they attended or were associated with Ararat Primary School. Each paver has the capacity to have up to 15 characters on 3 separate lines.

Please note that the pavers will be installed after the Sesquicentenary celebration weekend - May 15th & 16th, 2015.

If you are interested in purchasing a paver for yourself, child(ren) or family, please complete the order form below, and return it to the Ararat Primary School office by Friday, April 17th, 2015.

Kind regards,

Jennifer Molan
