

Confirmation of Expressions of Interest

China Trip – September 2016

Some of our families and students have expressed their interest in participating in the 2016 China trip, that we have been invited to participate in by Sherbrooke P-12.

Numbers will need to be finalised this week, as Sherbrooke staff need to confirm numbers, to ensure that the advertised costs remain the same. Please give your expressions of interest to the office by Friday this week, if you are wishing to participate. Initial trip deposit payments will be required by the second week of November.

Once we have finalised expressions of interest, Sherbrooke staff representatives and a representative from the travel company will visit Ararat PS 800 for a trip information session.

All students attending must be accompanied by a parent or guardian.

Heidi Jerram

Chinese Language Program Co ordinator
