13th October, 2015

Dear Families,

We understand that you and the broader Ararat community play a vital role in supporting the learning of our children. Research tells us that the most meaningful partnerships are those where schools, parents, students and the community work together to focus on student learning. This can provide powerful outcomes for your children.

We'd like to invite you to our first "**Community Conversation**" to be held on **Friday 30th October** at **9am-10am**. We will provide tea, coffee, something delicious- and guarantee that we will have a great time.

The idea of our "Community Conversation" is to provide an opportunity to have a two-way dialogue between families and school staff, and help you have a stronger role within our school. It is a great way for you to contribute, and have confidence that we value your perspective and involvement.

If there is interest from parents who would like us to run a Community Conversation on an evening, we will be more than happy to organise this as a separate session. Please let us know if this is something you would be interested in attending.

Yours in partnership,

Jennifer Molan and Tammie Meehan

Please cut off and return slip to the office by FRIDAY 23rd OCTOBER for catering purposes.
