

AUTHORISATION FOR THE PUBLICATION OF STUDENT PHOTOGRAPHS

Dear Parents/Guardians,

The students of Ararat Primary School are frequently featured in newspaper articles and photographs, highlighting the outstanding achievements of individuals, and the exemplary programs offered by the school. It is recommended that we gain approval before photographs and children's names are made public.

During 2015, we intend to continue the development of Ararat Primary's Web Page and Classroom Blogs, and to utilise Facebook for promoting information about our school. Your child's work and/or photos of your child may be selected for inclusion on the Web Page, which will be published on the Internet and accessible to a global audience. Students may also appear in web sites promoting the school; for example, Ararat City Council or Department of Education and Training websites.

Your child will continue to own the copyright on the work to be published. Under no circumstances will any personal information such as surnames, home addresses or phone numbers be published on the Internet by the school.

Ararat Primary School's weekly newsletter is published on the school website, and promoted on the school Facebook page. Please consider this when making your decision.
