Dear parent/guardian,

Ararat Primary School is looking forward to another great year of teaching and learning and would like to advise you of Ararat Primary School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Each year our parents show positive support for the school through parent payments and fundraising efforts. This support has led to considerable improvements being carried out, especially in the areas of computer technology, numeracy and literacy, and through the provision of outstanding resources.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

You'll also find attached the 2026 booklist, please follow the instructions to purchase your child's booklist from One Office National. If you wish to purchase your items from another supplier, please try to match your order to the items on the booklist as closely as possible. These items will be brought to school on the first day of Term 1.

Yours sincerely,

Natalie Dowsett
